Information for applicants

- We shoot .22 and pistol calibre rifles/pistols over 17 yards at the range in Eskbank, Dalkeith.
- You need to be at least 12 years old to join the Club. If you are aged between 12 and 14 a parent or guardian must accompany you on every visit to the Club.
- On your first visit you can fill out and hand us your application form which will take one week to process.
- On your next visit you will be able to shoot, using Club equipment and with the guidance of an experienced Club member or RCO, once your joining fee and six months probationary member's subscription has been paid (or you have committed to the monthly direct debit scheme). The probationary subscription is £150 for adults and £75 for juniors.
- Your first 6 months is a probationary period. During this time experienced Club members will help you learn to shoot rifles safely and, we hope, with increasing skill. At the end of this period assuming you have shot regularly you will be able to request full membership of the Club.
